

## **DUNVILLE WATER LINE REPLACEMENT PROJECT**

The Town of Placentia wishes to advise residents that replacement of water service and main lines in Dunville will commence this upcoming construction season.

The work entailed requires preliminary engineering assessments in the vicinity of the planned work area. Residents may notice the Town's engineering staff taking measurements and conducting the assessments as well as conducting interviews with certain homeowners where the proposed scope of work is concentrated. We kindly request your patience and cooperation over the duration of this process. Please make an effort to be available as any information you can provide will assist the progress of this work providing better services to the community.

Thank you in advance for your cooperation and patience.
