

The Town of Placentia is Requesting Proposals for the following Two (2) Separate Projects:

Project #1 Infrastructure Renewal & Sustainability Project
RFP#IRSP - 2017

Project #2 Consultant Advisory Services – Concept
Design Way-Finding Signage – RFP#WFS - 2017

The Town of Placentia is seeking two independent proposals as identified below from companies interested in undertaking the following projects on behalf of our municipality:

1. Infrastructure Renewal and Sustainability Project - the undertaking will involve energy assessment of Town owned facilities and will be conducted by a firm with considerable qualifications in this regard.
2. Concept design for preparation of way-finding signage – using our current branding, the consultant will develop a creative concept for way-finding signage throughout the community.

Submitters are advised that these projects are exclusive of each other and proposals must be presented separately.

To obtain a bid information package on either of these projects, please contact us either by fax at 709-227-1288 or by e-mail townofplacentia@placentia.ca. It is the responsibility of the prospective bidder to ensure that all electronic enquires are acknowledged.

This tender closes at 3:00 p.m. on March 24, 2017.
