

Preliminary Notice – Waterline Repair Work October 17th 2025

We wish to advise residents that over the next several weeks, work will be carried out on our waterlines to address several major leaks. Contractors will be on-site to complete these repairs as part of our continued efforts to improve the community's water infrastructure. During this time, residents can expect traffic delays and detours in various areas.

Work will begin next week in the following locations:

Placentia

- Swans Road
- Jubilee Road
- Blockhouse Road
- Prince William Drive

Jerseyside

- Cabot Street
- High Road (Jerseyside Pump House Area)

Further notices will be issued as we receive updates regarding temporary water shut-offs and traffic detours.

We appreciate your patience and understanding as we complete these important upgrades to our water system.
