—Curbside Collection Guidelines—

Household Garbage/Recycling:

- Garbage:** Use clear garbage bags only.
- Recyclables:** Use recycling blue bags only. No limit on number of blue bags that can be set out on scheduled recycling days.
- Privacy Bags:** Optional — residents may place out one opaque (non-transparent) plastic bag per week for personal items such as sanitary or incontinence products.
- Bag Limit:** The total number of garbage bags, including privacy bag if one is used, must not exceed five bags per week.
- Curbside Placement:** Set bags out by 7 a.m. Place them within 4.5 m (15 ft) of the pavement or roadside.
- Bag Weight:** Maximum 20 kg (45 lbs) per bag.
- Bundle Length:** Max. 1.5 m (4 ft) for cardboard.
- Secure Bags:** Tie bags securely to prevent spillage.
- Tagging:** Bags that do not meet collection guidelines will be tagged with an orange sticker indicating the reason(s) for non-collection. Once corrected, the waste will be collected on the next scheduled collection day.
- Not Accepted:** Oversized (bulk waste) items, and hazardous waste.
- Non-Waste Items:** Keep non-waste items, like bicycles and children’s toys, away from collection area.

Missed/Delayed Collections:

- Service Delays:** Collections may be delayed due to weather, mechanical issues, or staffing shortages. Report missed collections to ERSB directly at info@ersbnl.ca, or call (709) 579-7960 / Toll free (877) 878-2166.
- Service Prioritization:** Garbage collection may be prioritized over recycling collection during service disruptions.
- Collection Updates:** Check our website, or follow us on **Voyent Alert**, a free notification service for collection changes and reminders. Only an email address or phone number is required to receive alerts. Sign up here: <http://register.voyent-alert.com>.

Garbage Box Maintenance:

- Upkeep:** Keep garbage boxes clean, in good repair, and free of snow or debris. Boxes with maggots, wasp nests, or evidence of vermin will not be serviced.
- Container Standards:** Waste will not be collected from makeshift boxes (e.g., old freezers). Unsuitable containers will be tagged to alert owner.
- Garbage Box Lids:** Residents are responsible for closing garbage boxes lids after each collection.
