

Blow Down and Deadwood Harvest Opportunity

The Town of Placentia has received a permit to conduct wood harvesting work in locations on the provincial right of way within the Municipality to improve the safety and aesthetic of our community.

As the permit holder, the Town may extend permission to harvest deadwood to local residents interested in taking part in this initiative.

The project will run from October 14 - November 5, 2026. The permit holder will be responsible for the cutting, removal and cleanup of blow downs, leaning or dead trees/wood in designated areas. The work shall be performed in a responsible way so that the area affected is left in an organized and clean condition.

Locations

- Southeast
- Bond's Path
- Jerseyside
- Freshwater
- Ferndale
- Dunville

Anyone interested in receiving permission to clear this wood under the Town of Placentia permit may forward their name, phone number, preferred email and location of interest to the Town of Placentia.
