IMPORTANT REMINDERS

-All waste must be ready for pick up by 7:00am the morning of collection. Please ensure waste is covered.

-There is a **6 bag limit** on household waste. Recycling bags are unlimited.

-If recycling containers and cardboard are mixed, they will be considered contaminated. These contaminated bags will count towards your **6 bag limit** on household waste.

-Waste collection areas must be entirely free and clear from snow and hornets/wasp nests. If this is not adhered to, waste will not be picked up

The **Waste Recovery Facility** on Fox Harbour Road is operated by the Eastern Regional Service Board. You can find information and operational hours at:

Battery Collection Program

The Town of Placentia is excited to announce the continuation of the Call2Recycle Battery Collection Program. This program provides a safe and convenient way for residents to dispose of old batteries, including both rechargeable and single-use types. Recycling batteries is an important step in protecting the environment by preventing harmful chemicals from ending up in landfills.

This program is now available, with drop-off bin located at the Town Hall, Arena and Dunville Lions Club. For more information, including a full list of acceptable and non-acceptable batteries, please visit www.call2recycle.org or stop by the Town Hall.

Thank you for helping keep Placentia clean and green!

Communications

Stay connected with the Town of Placentia!

When important updates or emergency information arises, the Town of Placentia uses multiple communication channels to keep residents and businesses informed. We post updates on our Facebook page, website (news), and Placentia Aware - our Community Notification Program that sends notices to your phone or email.
